X Isaiah McElderry
X Bill Lambert, Mayor
X Jen Pfiffner, Assistant City Supervisor
X Brandon Allen, Community Liaison

Regular Agenda

Meeting called to order at 6:02 p.m

Approval of November 26 Meeting Minutes

The minutes were emailed prior to meeting and presented again during meeting, no changes were made.

Kellen moved and Marilea seconded to approve the minutes from the prior meeting. The motion approved unanimously.

Planning Discussion

Chair Brian opened the floor up to discussion of general plans for future events.

- Brian mentioned the possibility of hosting a spelling bee. This would not only be a way of advertising, but could also be a fundraiser by requiring a small entry fee. The location can be open to any city facility which would include the equipment needed.
- Last meeting, we discussed potentially building a statue for a war memorial, it was decided that this would be a more long-term goal, so the discussion was tabled until after we have raised money and hosted more events.
- In many previous meetings we have talked about spreading the word and getting more students involved in the committee. This meeting was no exception, many attending members suggested they have been attempting to recruit, but many students are either misinformed about the availability of seats on the board, or not interested because of the lack of projects. This information lead to an understanding of the importance a mini-project within the next 30 days could have on the outcome of this group.
- The idea of shoveling snow for local neighborhoods throughout the winter was suggested. This would be an easy task with little equipment, but could lead to a spread in awareness and potential funds. Jen offered to contact local law enforcement, they have access to the homes that might need this service.
- With Christmas coming up, it was suggested that we host a Christmas tree removal service, this would allow for some publicity around the community and another good way to fundraise. The city has access to trucks and other equipment that would be necessary.

Brandon motioned that the secretary be in charge of collecting the school winter sports schedule for fundraising purposes, Kellen seconded the motion, it passed unanimously.

- Kellen has volunteered to contact the Moscow Bear Boosters club, an organization of Moscow High School parents who host fundraisers and have booths at sporting events. The intent is to set up a booth at a basketball game on January 15 to talk to parents and students about MYAC and what we do. There we are hoping to have flyers; t-shirts; a banner; and sticker that can be handed out.
- Marilea, with the assistance of Jen, will be finalizing a flyer that can be hung around schools and the Moscow Chamber of Commerce.

Announcements

Jen informed the members that Judi Davis is no longer going to be apart of MYAC.

Isaiah asked for the help of MYAC members with a local organization called *Christmas For Children* they are in need of support to wrap and collect gifts from local giving trees for the children of Moscow. This event will be held on December 17 and 19 behind the *Safeway* building from 4:30-6. If you are interested in helping, please contact Isaiah.

Kellen moved and Isaiah seconded the conclusion of the meeting. The motion was unanimous.

Meeting Adjourned at 6:46 p.m.
