In 2017 the Moscow Planning and Zoning Commission initiated the process of updating the 2009 Comprehensive Plan. The Commission went through the entire Plan updating community data, maps, and the objectives and implementation actions. The Planning and Zoning Commission also consulted with other City Commissions to update the sections of the Plan that pertain to those Commissions. On October 24, 2018, the Commission conducted an Open House meeting which coincided with the start of a thirty day public comment period that ran until November 23, 2018. Numerous comments were received during the open comment period and

many were subsequently incorporated in the final draft document. The Planning and Zoning Commission will make a recommendation to City Council regarding this matter.

**ACTION:** Conduct the public hearing on the proposed update to the Comprehensive Plan and recommend approval of the Plan as presented; recommend approval of the Plan with modifications; recommend denial of the Plan; or take such other action as deemed appropriate.
