October 18, 2018 Notes

Meeting called to order at 5:30 p.m.

Jessica Brierly read the new Goal for the group drafted at the last meeting. The goal reflects the group's current focus of food security but can be updated and changed as the focus shifts. The group did not have any changes or suggestions to the goal.

Brierly gave an update on the Community Resources being drafted. The resources focus on Latah County and the surrounding area. These are emergency sites, food banks, etc. As new resources are identified they will be added to the list. DJ Scallorn reported that the list had been added to the City of Moscow's website under the Poverty on the Palouse page and if new resources were identified they could easily be added.

Brierly asked if the group would be interested in having a Facebook page formed to share updates and events. Discussion ensued regarding what content would be posted (workshops, what's in season, community information, etc.) and who would be the Administrator for the pages (members from the Poverty on the Palouse Steering Committee). The group came to the consensus to pursue developing a page.

Upcoming agenda items include: an update on the working document and Community Resources and an update on the Facebook page.

Meeting adjourned at 6:25 p.m.
