June 9, 2008

The Honorable Nancy Chaney  
Office of the Mayor  
City of Moscow  
206 e. Third St.  
Moscow, ID 83843

Dear Mayor Chaney:

Thank you! I would like to take this opportunity to thank you and your staff for City of Moscow's support in helping protect pollinating animals by declaring City of Moscow Pollinator Week June 22-28, 2008 to coincide with National Pollinator Week, which has grown into an International celebration.

The Pollinator Partnership has posted City of Moscow's Pollinator Week Proclamation on our one stop source for Pollinator Week events at [www.pollinator.org](http://www.pollinator.org). Please click on the "Pollinator Week" link to see a copy of City of Moscow's proclamation and other events that are scheduled. The website is updated frequently.

As you know, pollinating animals, including bees, birds, butterflies, bats, beetles and others, are vital to our delicate ecosystem, supporting terrestrial wildlife, providing healthy watershed, and more. Therefore, the hope of Pollinator Week is to get the importance of pollinators message out to as many people as possible.

Please let me know if there is any way I can assist you in preparing for events surrounding Pollinator Week. Again, I urge you to visit [www.pollinator.org](http://www.pollinator.org) for additional resources and ideas.

I am looking forward to Pollinator Week. Thank you so much for your support.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Tsang".

Jennifer Tsang  
National Pollinator Week Coordinator
