

## ITANI PARK

---

### 2006 Itani Drive near the Itani Drive/Rolling Hills Drive Intersection

*.84 Acres*

#### **Description:**

The property was obtained by the City through parkland dedication requirements in the Rolling Hills Subdivision. Itani Park looks toward development.

#### **Amenities:**

*To be completed Summer 2019*

- Play Structure (2-12 Year Olds)
- ADA Accessible Walkway

#### **History:**

1994:

- Property was obtained through parkland dedication requirements for the Rolling Hills subdivision. The total dedicated was 0.90 acres. Of this acreage, 0.06 acres was dedicated along Mountain View Road for future pathway property. (See Itani-Rolling Hills in the Triangles, Properties, and Undeveloped Lands section). The other 0.84 acres was located adjacent to Moser Park. (See Moser Park for details.)

2011:

- Due to unsuitable boundary configurations, the 0.84 acre dedication, by Moser Park, was re-located further to the southwest and the working name became Itani Park. (See Moser Park for more details.)

2019:

- An access path was put in, and turf and irrigation were installed.
- Playground equipment and a swing set were installed (2-12 year olds).
