

2012:

- Both parking lots were completely redone.
- Old unsafe playground was replaced.
- Design and construction documents were developed for a competitive horseshoe pitching court. Location of court area will be between the two parking lots on the north end of park. Construction is tentatively planned for summer 2015.

2015:

- Off-leash dog use allowed on the field.

2016:

- Parks maintenance staff re-roofed the restroom facility.

2017:

- Pickle ball lines were added to the basketball court, thus creating a multi-use court.
