

DOG PARK

2019 White Avenue

1 Acre

Description:

Pamper your pooch with a romp in this fenced, off leash park. This park is located next to the Humane Society of the Palouse on White Avenue. The Animal Shelter in Moscow was originally east of the property it is now on. White Avenue was a “landfill” area. Because of this, the City decided to clean out the site and develop it. If you need a place to relax with your dog and also get some one on one time at the same time, this is the ultimate dog fortress for the public.

- May 5 - Fundraising for the dog park commenced. It was determined that \$10,000 was needed to develop this park. Donations from individuals, the Humane Society of the Palouse, Palouse Hills Dog Fanciers, and a pledge from Latah County all brought in approximately \$2,400 dollars.

- September - The Dog Park committee requested \$7,000 from the City of Moscow, but they were denied. Later, they were given an opportunity to have what they raised matched by the City of Moscow \$1 - \$1.
