

2017:

- The underpass project was approved by City Council.
- The Highway Underpass was primarily funded by a State of Idaho Transportation Alternative Program grant, awarded to the City of Moscow. The remaining funds were contributed as a local match and were provided by Moscow Urban Renewal Agency and the City of Moscow. Of the \$539,000 project total, the Idaho Transportation Alternatives Program provided \$500,000; with the remaining local match of \$39,000 funded with a \$15,000 contribution from the Moscow Urban Renewal Agency and \$24,000 from the City of Moscow.

2018:

- June-September- Construction of the overpass took place.

2019:

- June 29- The grand opening of the overpass took place.
