

# City of Moscow Bike Rack Grant Application

Contact Person

Business or Organization Name

Physical Address

Mailing Address (if different)

Email  Phone

How does your organization actively promote the use of alternative transportation such as biking?

  
  

How many racks would your organization like to install?

Do you own the property on which the bicycle rack will be installed?  Yes  No

*Property for proposed installation site may be publicly owned. If the property is privately owned, proof of permission to install from the property owner must be provided for the property.*

Do customers and employees travel to the business or organization by bicycle?  Yes  No

Is there a safe, convenient, visible and easily accessible location on the property to install a bicycle rack?

Yes  No

For bike racks installed on private property would the property owner be willing and able to perform basic maintenance as needed (tightening bolts, painting, etc.)?

Yes  No

Are you interested in including an ARTful component to the rack?  Yes  No

I have received and read a copy of the City of Moscow Bike Rack Program Description:  Yes  No

Please attach any additional information to illustrate the current and/or potential need in support of this application.
