

Sponsorship Opportunities

Palouse Plein Air is an annual painting event that takes place every September, with experiences including painting workshops and a juried exhibition at the Third Street Gallery inside Moscow City Hall. Artists from across the Pacific Northwest paint onsite at locations of their choosing within Latah, Nez Perce, Whitman, and Benewah counties. The event has grown in popularity and participation over its 12-year history, and we invite you to support this event that has become a favorite for artists and art lovers alike!
