# Information and Guidelines for Musicians / Performers at the Moscow Farmers Market

## **Moscow Farmers Market**

The City of Moscow and the Farmers Market Commission are accepting applications for the Moscow Farmers Market 2017 Season. The Market is located on Main Street and Friendship Square and runs from 8:00 a.m. to 1:00 p.m. every Saturday May through October.

## **Sound System / Equipment / Set-Up**

Our sound system consists of four (4) SM 58 vocal microphones with stands, two (2) SM57 instrumental microphones, and a mixer with 8 available channels. We also have a 10' x 10' tent which you are welcome to stand under in case of inclement weather. We do try and have you play rain, snow, or shine! If any additional equipment is needed, the performer is responsible for providing it. If you have CDs you are welcome to sell them and you may put out a tip jar.

## **Rules of the Moscow Farmers Market**

The Market is a popular Moscow tradition that was established in 1977. The Saturday morning event celebrates local farmers, artists, craftspeople and musicians by providing them with an opportunity to interact directly with the community and its visitors. Music is such a wonderful component to our Market and is really loved and enjoyed by the citizens of Moscow and Market vendors. The Moscow Farmers Market is a family friendly event.
