Adopt-A-Tree Program

Purpose

- Encourage individuals and service organizations to volunteer to support Moscow's urban forest by providing specific services to trees on City property and rights-of-way.
- Help extend the resources of the city Parks Department.
- Promote civic pride.
- Enhance the health and beauty of Moscow's urban forest.

Adoption Guidelines

- Trees owned by the City of Moscow and located in parks, along Paradise Path, and in other City rights-of-way may be adopted.
- The City Forester has sole authority to approve specific trees for adoption.

Adopter's Responsibilities

- Undertake the activities for which you are authorized in a responsible manner, taking into consideration your safety and that of others as well as the continued health of the trees.
- Report back to the Community Forester when work is complete, note any particular issues or concerns that staff should consider.
- Report tree-related concerns you see on any city tree (broken limbs, suspected disease, or failure to thrive, any tree-related hazards to pedestrians or vehicles) to the City Forester.

City of Moscow Responsibilities

- Communicate special events and opportunities where Adopters can participate with the city in celebrating its forest.
- Annually assess the health of trees that have been adopted.
- Annually publically recognize the efforts of Adopters.
- Provide necessary equipment/tools to adopters when appropriate.
