COMPREHENSIVE PLAN

PREFACE: INTRODUCTION AND PURPOSE

- P.1 Purpose and Importance of this Plan P.1**
 - P.1.1 The Purpose of Planning.....P.2
- P.2 Property Rights..... P.3**
 - P.2.1 Purpose of Regulation and Land Use Decision Process.....P.3
 - P.2.2 Regulatory Takings.....P.4
- P.3 Planning Process..... P.4**
 - P.3.1 Public Participation Input.....P.5
 - P.3.2 Plan Development and Adoption.....P.6
 - P.3.3 Monitoring and AmendmentsP.7
- P.4 Plan Organization..... P.7**
 - P.4.1 Goals, Objectives, and Implementation ActionsP.9

CHAPTER 1: A VISION FOR MOSCOW

- 1.1 Community Values and Plan Goal1.1**
 - 1.1.1 Community Values 1.1
 - 1.1.2 Plan Goals and Objectives 1.3
- 1.2 Community Context1.8**
 - 1.2.1 Moscow’s Beginnings..... 1.8
 - 1.2.2 Moscow Today 1.10
 - 1.2.3 Moscow in 2030..... 1.14
- 1.3 Natural Resources..... 1.14**
 - 1.3.1 Natural Setting 1.15
 - 1.3.2 Hazardous Areas..... 1.18
 - 1.3.3 Local Response to Changing Global Climate Conditions.....1.20
- 1.4 Natural Resource Goals and Objectives 1.23**
 - 1.4.1 General Natural Resource Goal..... 1.23

TABLE OF CONTENTS

1.4.2 Natural Resource 1.24

CHAPTER 2: COMMUNITY CHARACTER AND LAND USE

2.1 Existing Community Character.....2.1

2.1.1 Agricultural and Resource Extraction 2.2

2.1.2 Residential..... 2.2

2.1.3 Commercial and Industrial 2.3

2.1.4 Governmental and Institutional 2.4

2.1.5 Recreation..... 2.5

2.1.6 Education 2.5

2.2 Housing.....2.6

2.2.1 Housing Types and Ownership..... 2.6

2.2.2 Housing Demand..... 2.8

2.2.3 Affordable Housing..... 2.9

2.2.4 Home Occupations 2.10

2.3 Special Areas and Sites 2.10

2.3.1 Historic Districts 2.10

2.3.2 Urban Renewal Districts 2.13

2.3.3 University of Idaho Campus 2.14

2.4 Downtown..... 2.14

2.4.1 Downtown Expansion..... 2.15

2.4.2 Downtown Parking 2.17

2.5 Community Design 2.18

2.5.1 Entrances and Corridors 2.18

2.5.2 Streetscapes..... 2.19

2.5.3 Landscaping..... 2.19

2.5.4 Scale, Density, and Building Design 2.20

2.5.5 Signage and Lighting 2.21

2.5.6 Parking..... 2.22

2.5.7 Neighborhood Identity 2.22

2.6 Land Uses 2.23

2.6.1 Existing Land Use 2.23

2.6.2 Future Land Use 2.25

2.6.3 Recommended Future Zoning and Land Use
Regulation Considerations 2.30

2.7 Land Use and Community Character Goals and Objectives ...2.30

2.7.1 General Land Use and Community Character Goals..... 2.30

2.7.2 Existing Community Character 2.30
 2.7.3 Housing..... 2.31
 2.7.4 Special Areas and Sites..... 2.31
 2.7.5 Downtown 2.32
 2.7.6 Community Design 2.32
 2.7.7 Land Uses..... 2.33

CHAPTER 3: COMMUNITY MOBILITY

3.1 Introduction 3.1

3.2 Regional Context 3.2

3.2.1 Introduction 3.2
 3.2.2 Relationship to National and Regional Highways 3.2
 3.2.3 Air Transportation 3.2
 3.2.4 Rail and Interstate Bus Transportation..... 3.3
 3.2.5 Regional Ports..... 3.3

3.3 Local Context 3.4

3.4 City Streets..... 3.5

3.4.1 General Existing Conditions 3.5
 3.4.2 Street Classification 3.5
 3.4.3 East-West Access 3.7
 3.4.4 North-South Access 3.10
 3.4.5 Thoroughfare Plan 3.11
 3.4.6 Proposed Alternate Highway Alignments 3.12
 3.4.7 Local Street Design 3.13
 3.4.8 Arterial and Collector Street Access Management 3.14
 3.4.9 Traffic Control and Safety..... 3.14
 3.4.10 Corridor and Gateway Beautification..... 3.15
 3.4.11 Public Art Integration..... 3.16
 3.4.12 Street Trees..... 3.17

3.5 Pedestrian Mobility 3.17

3.5.1 Introduction..... 3.17
 3.5.2 Sidewalk and Crosswalk Facilities 3.18
 3.5.3 Subdivision Design and Pedestrian Pathways 3.19
 3.5.4 Accessibility for People with Disabilities 3.19

3.6 Bicycle Mobility 3.20

3.6.1 Introduction..... 3.20
 3.6.2 Bike Lanes 3.20

TABLE OF CONTENTS

3.6.3 Bike Routes 3.21

3.6.4 Bicycle Parking 3.21

3.6.5 Integrating Bicycling with Transit..... 3.21

3.6.6 Other Bicycling Issues 3.22

3.7 Multi-Purpose Pathways 3.22

3.8 Transit and Transit-Supportive Development 3.22

3.8.1 Introduction..... 3.22

3.8.2 Existing Routes and Ridership..... 3.22

3.8.3 Projected Ridership..... 3.23

3.8.4 Bus Shelters and Transit-Supportive Development..... 3.23

3.8.5 Extension of Transit Service 3.24

3.9 School Access and Transportation 3.24

3.9.1 Introduction..... 3.24

3.9.2 Safety Routes 3.25

3.10 Parking 3.25

3.10.1 Introduction..... 3.25

3.10.2 Downtown Parking 3.25

3.11 Community Mobility Goals and Objectives..... 3.26

3.11.1 General Community Mobility Goals..... 3.26

3.11.2 Regional Mobility 3.26

3.11.3 City Street System 3.27

3.11.4 Pedestrian Mobility 3.28

3.11.5 Bicycle Mobility..... 3.29

3.11.6 Public Transit..... 3.29

3.11.7 School Access and Student Transportation..... 3.30

3.11.8 Parking 3.30

CHAPTER 4: PARKS, RECREATION, AND OPEN SPACE

4.1 Introduction 4.1

4.2 Parks and Recreation Master Plan 4.2

4.3 Local Context Park Classification System 4.2

4.4 Park Classification System 4.3

4.4.1 Pocket Parks..... 4.3

4.4.2 Neighborhood Parks 4.3

4.4.3 Community Parks 4.4

- 4.4.4 Linear Parks or Pathways 4.4
- 4.4.5 Special Use Parks and Facilities 4.5
- 4.4.6 Regional Parks 4.6
- 4.4.7 Open Spaces 4.6
- 4.4.8 Semi-Public Park Facilities 4.6
- 4.5 Facility Standards.....4.7**
- 4.6 Needs Assessment 4.10**
 - 4.6.1 Community Survey 4.10
 - 4.6.2 Current Needs 4.11
 - 4.6.3 Year 2030 Needs 4.12
- 4.7 Park Service Area Evaluation.....4.12**
 - 4.7.1 Pocket Parks 4.13
 - 4.7.2 Neighborhood/Linear Parks 4.13
 - 4.7.3 Community Parks 4.13
 - 4.7.4 Bicycle and Pedestrian Facilities 4.14
 - 4.7.5 Future Areas of Need 4.14
- 4.8 Implementation 4.15**
 - 4.8.1 Implementation Through Partnerships 4.15
- 4.9 Implementation Priorities..... 4.16**
 - 4.9.1 Existing Park Improvements 4.17
 - 4.9.2 Parkland Dedication and Development 4.17
- 4.10 Parks and Recreation Goals and Objectives 4.17**
 - 4.10.1 General Parks and Recreation Goal..... 4.17
 - 4.10.2 Pathways, Greenways, and Linear Connections 4.18
 - 4.10.3 Environmental, Conservation, Preservation and Sensitive
Planning 4.18
 - 4.10.4 Cultural Enhancement 4.19
 - 4.10.5 Convenience and Accessibility of Public Parks, Recreational
Areas, and Public Open Spaces 4.19
 - 4.10.6 Diversity and Availability of Recreational Programs 4.20

**CHAPTER 5: PUBLIC UTILITIES, SERVICES, AND GROWTH
CAPACITY**

- 5.1 Introduction5.1**
- 5.2 Regional Context5.1**
 - 5.2.1 Population of Moscow and Latah County 5.1

TABLE OF CONTENTS

5.2.2 Regional Water and Sewer Infrastructure 5.2

5.3 Potable Water 5.2

5.3.1 Generally 5.2

5.3.2 Supply 5.3

5.3.3 Aquifer Recharge 5.5

5.3.4 Storage 5.5

5.3.5 Treatment 5.6

5.3.6 Distribution 5.6

5.3.7 Water Rights 5.6

5.3.8 Pullman-Moscow Ground Water Management Plan
(Palouse Basin Aquifer Committee) 5.7

5.3.9 Water Conservation Strategies 5.9

5.4 Sanitary Sewer 5.10

5.4.1 Generally 5.10

5.4.2 Wastewater Treatment Plant (WWTP) 5.11

5.4.3 Collection 5.12

5.5 Stormwater Conveyance and Treatment 5.12

5.5.1 Generally 5.12

5.5.2 Problematic Areas 5.13

5.5.3 Development Patterns and Runoff 5.14

5.5.4 Detention, Retention, and Treatment 5.15

5.6 Public Safety 5.15

5.6.1 Law Enforcement 5.15

5.6.2 Fire Protection and Emergency Medical Services 5.15

5.6.3 911 Dispatch 5.16

5.7 Solid Waste and Recycling 5.17

5.7.1 Solid Waste 5.17

5.7.2 Recycling 5.18

5.8 Capacity for Growth 5.18

5.8.1 Available Land Versus Expected Demand 5.18

5.8.2 Growth Demand 5.19

5.8.3 Growth Staging Plan 5.20

5.9. Public Utilities, Services, and Growth Capacity 5.21

5.9.1 General Goals 5.21

5.9.2 Potable Water 5.21

5.9.3 Sanitary Sewer 5.22

5.9.4 Storm Water 5.22

5.9.5 Emergency Service 5.23

5.9.6 Waste Management 5.23

CHAPTER 6: ECONOMIC DEVELOPMENT

6.1 Introduction 6.1

6.2 Economic Context 6.1

6.2.1 The Region 6.1
 6.2.2 Major Employers and Industries 6.2
 6.2.3 University of Idaho 6.3
 6.2.4 Washington State University 6.4
 6.2.5 Healthcare 6.4
 6.2.6 Manufacturing 6.5
 6.2.7 Agriculture 6.5
 6.2.8 Information 6.6
 6.2.9 Retail 6.6
 6.2.10 Tourism 6.6
 6.2.11 Construction 6.6

6.3 Other Economic Indicators 6.7

6.3.1 Labor Force 6.7
 6.3.2 Unemployment 6.7
 6.3.3 Underemployment 6.7
 6.3.4 Demographics 6.8
 6.3.5 The “Creative Class” 6.8

6.4 Community Input 6.9

6.4.1 Generally 6.9

6.5 Economic Development Strategies 6.9

6.5.1 Generally 6.9
 6.5.2 Leveraging Existing Assets 6.10
 6.5.3 Growing Compatible Target Industries 6.12
 6.5.4 Zoning and Available Land 6.14
 6.5.5 Strengthening Networks 6.14
 6.5.6 Business Development Costs 6.15

6.6 Economic Development Goals and Objectives 6.18

6.6.1 General Economic Development Goals 6.18
 6.6.2 Leveraging Existing Assets 6.18
 6.6.3 Growing Compatible Industries 6.19
 6.6.4 Strengthening Networks 6.19
 6.6.5 Business Development Costs 6.20

TABLE OF CONTENTS

CHAPTER 7: IMPLEMENTATION

7.1 Introduction.....7.1

7.2 Responsibility for Implementation.....7.1

 7.2.1 Generally 7.1

7.3 Plan Implementation Methods7.2

 7.3.1 Policy-Based Decisions..... 7.2

 7.3.2 Land Development Regulations and Engineering Standards..... 7.2

 7.3.3 Capital Improvements Programming..... 7.2

 7.3.4 Specific Plans and Studies..... 7.3

 7.3.5 Special Projects, Programs, and Initiatives 7.3

7.4 Plan Administration7.3

 7.4.1 Education 7.3

 7.4.2 Role Definition..... 7.3

7.5 Plan Amendment Process7.5

7.6 Evaluation and Updating7.6
