- WHEREAS,** The resulting holiday—Arbor Day—was first observed in that State with the planting of more than one million trees; and
- WHEREAS,** Arbor Day is now recognized throughout the nation and the world, reminding us that one person’s initiative can make a lasting and meaningful difference; and
- WHEREAS,** The City of Moscow and Moscow Tree Commission are committed to a community forestry program that supports a safe, healthy, and attractive urban forest; and
- WHEREAS,** Trees are renewable resources that yield fruit and nuts for food and profit, wood for construction, fuel for warmth, paper products, and a wide variety of other goods and materials; and
- WHEREAS,** When properly selected, planted in the right places, and tended appropriately, trees increase property values, add beauty, enhance economic vitality of business districts, cut heating and cooling costs, and provide buffers from traffic; and
- WHEREAS,** Trees intercept storm water, reduce runoff and erosion, clean air and water, produce oxygen, slow climate change by absorbing carbon dioxide, provide habitat for wildlife, and moderate air temperature; and
- WHEREAS,** A healthy urban forest can bring a sense of vibrancy or respite, adventure or calm, escape or contentment, and connection to wild nature, amidst asphalt and concrete; and
- WHEREAS,** Arbor Day reminds us of the timeless observation by its founder, J. Sterling Morton, that “Each generation takes the earth as trustees;” and
- WHEREAS,** To celebrate Arbor Day in Moscow, students from Lena Whitmore Elementary School will plant a red oak at Lena Whitmore Park at 1:15 PM on April 27, 2018.
